Eminent Archon Report – Michael Lynch

-

We hope to start the year off right here at Massachusetts Delta. We have many brothers involved on campus, such as Manny Jimenez, Student Government (SGA) Treasurer, Russell Varney who is a SGA Senator, Matt King and Neal McCloskey are actively involved in the community service fraternity APO, as well as other brothers who are actively involved in various organizations on campus. We also have brothers that are going away for their IQPs to places such as Venice, Costa Rica, Australia, South Africa, and Washington D.C.

This past year we have been involved in Freshman Move-in, cleaning-up the Institute Park, an event with the Friendly House of Worcester, and our annual Sink-a-SigAlph with donations going to the Children's Miracle Network. On schedule for the rest of the year will include increasing our neighbor relations with a neighborhood BBQ, involvement

in Habitat for Humanity, the annual SigAlph 5k Road Race (our biggest event of the year), and many more events.

We will hold a winter retreat to address the strengths and weaknesses of the brotherhood to improve our chapter. We will also have an EC retreat with both incoming and outgoing EC members to discuss the direction of the house and the ensuring a smooth transition from one year to the next.

With the addition of our new pledges: Raymond Casola of Terryville, CT, Ben Collier of Braintree, MA, Richard Downey of Melrose, MA, Steve Greco of Nesconset, NY, James Ham of Tacoma, WA, Nick Nava of Lusby, MD, Santiago Isaza of Hudson, NH, Chris Suprenaunt of Terryville, CT, Jesse Taylor of Wilmington, DE and Jimmy Tauby of Stony Brook, NY, and we hope to have a successful next few years.

Central Massachusetts Alumni Association

The CMAA looks forward to the new year and the continued expansion of activities as well as membership. We thank everyone for their participation in 2009 and hope you enjoyed it. Along with our annual meeting/ cookout (held at WPI reunion weekend) and homecoming weekend, we anticipate a packed schedule. For February a ski trip is being planned; in May we will host a Senior night to welcome new graduate into the alumni community; late summer brings another outdoor trip, perhaps an alumni Paddy Murphy or camping excursion; finally we hope to close out the year with our first CMAA holiday party. Of course we will continue to fill the time in between these larger events with monthly(ish) meetings at local pubs and restaurants.

For details and to keep up to date with all the CMAA happenings visit us at www.centralmassalumni.org, join the SAE Central Mass Alumni Association group on Facebook, or follow us on Twitter @SAE_CMAA.

Electronic Fund Transfer (EFT)

The EFT program was developed in order to facilitate donations from those brothers in which a lump sum is not manageable. EFT is an automated donation program that requires only a canceled personal check and a completed form found on the back of this newsletter. On the 15th of every month, the House Corporation Treasurer, Chris Roy, deducts a preapproved amount for the duration that you set. This deduction is made through the corporation's bank and lender, Marlborough Savings Bank. Although, we do recommend a multi-year commitment, we understand that everyone's situation is different and can cancel or postpone your contribution with a quick email or phone call to a House Corporation representative.

If you have any questions, please feel free to contact Chris Roy at christiankroy@yahoo.com.
